Make your recycling count in 2016!

Help keep the City of Cincinnati Clean and Green this year by following these simple guidelines:

- Use your city issued recycling cart to collect your recyclables. Remember, the cart is the property of the City and must stay with the residence.
- Review Rumpke's acceptable item list to make sure you are recycling everything you can. **Items** should be loose in the cart—do not place items in plastic bags.
- Place your city issued recycling cart at the curb every-other-week on your designated collection weeks. Please place your recycling cart at the curb by 6 a.m. on your trash day during the weeks highlighted. Trash collection continues to be weekly.

Holiday: If one of the highlighted holidays falls on a weekday on or before your collection day, service will be delayed one day during that week.

Friendly Reminders

- Place your recycling cart (and trash cart) at the curb after 5 p.m. the night before your scheduled collection day or by 6 a.m. on your collection day. Containers must be removed from the curb the same day as collection.
- The recycling cart must remain at the address to which it was delivered. If you move, leave the cart for the next resident. If there is not a cart at your new address, call the City at 352–3200 to report the missing cart and request new delivery.
- Keep track of your collection schedule and set-up reminders with the Cincinnati City Hall mobile app available on the APP store and Google Play.
- Yard waste is collected every-other-week April-December, and is collected on the same day as your recycling. Yard waste cannot be placed in your green recycling cart—it must be in separate yard waste bags or another container and labeled "Yard Waste."

Remember to Recycle:
